Malabar Cancer Centre (MCC) is an autonomous institution under Health and Family Welfare Department, Government of Kerala. The centre is involved in clinical services, research and oncology related education.

MALABAR CANCER CENTRE invites participants from all over the world to attend 'International Conference on Human Papillomavirus (HPV) and CANCER' during January 13, 2019 in Thalassery, Kerala, INDIA which includes prompt keynote presentations, Oral talks, Poster presentations and Panel Discussion .

International Conference on HPV and CANCER', addressing the most recent advances across the spectrum of research from basic sciences to public health, Conference Highlights will be HPV, Public Awareness.

Why attend

As mentioned earlier, HPV research, involves people from various disciplines and people from such fields do not always get a chance to meet and discuss the current developments in their respective areas. HPV conferences seek to bring all such people together and thereby provide them a platform with which to discuss and exchange ideas with one another. The HPV conference is set to be graced by World-renowned speakers who will shed light on the most recent techniques, and the newest updates in HPV Research.
