IGNITED INSIGHT

CNE ON SPECIALIST NURSE IN CHEMOTHERAPY

ON 12 MARCH 2017

VENUE : Seminar Hall , Malabar Cancer Centre
 Organized By: Oncology Nursing Department
 Malabar Cancer Centre Thalassery, Kannur - 670 103.
 Ph: 0490 2355881, fax : 0490 2355880
 e mail: mcctly@gmail.com, www.mcc.kerala.gov.in

Malabar cancer centre is an autonomous institution under health and family welfare department of Government of Kerala. It is a state of art cancer centre which caters to patients from Kerala and neighboring states of Tamil nadu, Karnataka and union territory of Puducherry. It is being developed as Post graduate institute of Oncology Sciences and research. Nursing college under MCC is becoming a reality. The Department of Oncology Nursing is a prestigious and premier department in the institution which is a leader in oncology nursing education in the region. The Department has been conducting regular in house training program and continuing nursing education programs over past few years regularly. The experienced nurses in the field could explain the nuances of oncology nursing to the budding Nightingales. Its a pride for MCC to showcase the innovations of their nursing fraternity to the oncology which was widely appreciated

This year, the Department conducts its first CNE – Ignited Insight-Specialist Nurse in Chemotherapy . The program is conducted in the academic seminar hall of MCC On12.03.2017 The various topics cover the basic knowledge zones required for a nurse in chemotherapy in cancer, the safety precautions, complications and their management etc. The faculty for the CNE is a mixed flavour of experience and academia. The CNE will be learning experience for all budding nurses , nursing students and practicing nurses. We proudly invite you and colleagues to the first CNE of MCC this year.
