

## FACULTY

**Dr. APARNA GOVINDAN**

Assistant Professor, Pathology, Govt. Medical College, Calicut

**Dr. ARUNLAL M**

Consultant, Radiation Oncology, MVRCCRI.

**Dr. JACOB P ALAPPAT**

Senior Consultant, Neurosurgery, Aster MIMS, Calicut

**Dr. JITENDER SAINI**

Associate Professor, Neuroradiology, NIMHANS, Bangalore

**Dr. PRAVEEN KUMAR SHENOY**

Assistant Professor, Department of Clinical Hematology and Medical Oncology, MCC Thalassery

**Dr. RAJESH BALAKRISHNAN**

Professor Radiation Oncology CMC VELLORE

**Dr. SAJU B**

Additional Professor, Radiation physics, RCC, Trivandram

**For Registration** check website : <https://mcc.kerala.gov.in>

**Delegates** ₹ 1500

**Students** ₹ 750

# GLIOMEET 2018

**AN UPDATE ON HIGH GRADE GLIOMAS**

Organized by:

**DEPARTMENT OF RADIATION ONCOLOGY,**

**MALABAR CANCER CENTRE**

**THALASSERY**

**14**  
**OCTOBER**  
**2018**  
**SUNDAY**

Venue:

**SEMINAR HALL, MALABAR CANCER CENTRE**

Malabar cancer centre is an autonomous institution under Health and family welfare department, Government of Kerala. It is a rapidly developing tertiary cancer research centre offering state of the art cancer care in northern Kerala.

We, department of Radiation oncology cordially invite you for 'GLIOMEET 2018, an update on high grade gliomas'.

There have been many new developments and practice changing updates in High Grade Gliomas (HGGs). GLIOMEET 2018 covers almost all aspects of HGG diagnosis and treatment that a practicing Radiation-Oncologist, Medical Oncologist, Neuro Surgeon, Neuropathologist, Neuroradiologist need to know.

This will be an excellent platform for interaction with eminent faculties with experience in management of gliomas.

We request you to be an active participant in the same and make most out of it.

Chief Patron:

**Dr. SATHEESAN BALASUBRAMANIAN**

Organizing Chairperson:

**Dr. GEETHA MUTTATH**

Organizing Secretary:

**Dr. SHOAIB NAWAZ PN**

Organizing Team:

<b>Dr. VININ NV</b>	<b>Dr. NIDHIN RAJ</b>
<b>Dr. JONEETHA JONES</b>	<b>Mrs. SILPA AJAY KUMAR</b>
<b>Dr. GREESHMA KE</b>	<b>Mrs. SUJA CA</b>
<b>Dr. ARUN P NARENDRAN</b>	<b>Mrs. RESMI K BHARATAN</b>
<b>Dr. NABEEL YAHIYA EK</b>	<b>Mrs. LISHA JOSE</b>
<b>Dr. ANINDYA MUKHERJEE</b>	<b>Mr. ARUN KUMAR</b>
<b>Dr. ADVAIT MK</b>	

# 14

OCTOBER

PROGRAMME  
SCHEDULE 2018  
SUNDAY

8.30am-9.15am **REGISTRATION**

9.15 am-9.30am Inauguration and Welcome address

9.30am-10.00am Current Pathological Classification of Gliomas  
- What's new ?

**Dr. APARNA GOVINDAN**

10.00am-10.30am Radiological diagnosis of HGGs &  
dilemmas in follow up and recurrence

**Dr. JITENDER SAINI**

10.30am-11.15am Current management strategies and role of molecular  
markers in HGGs

**Dr. RAJESH BALAKRISHNAN**

11.15am-11.30am **TEA BREAK**

11.30am-12.00pm Contouring of HGGs - Current standards and  
new concepts

**Dr. ARUNLAL M**

12.00pm-12.30pm Challenges in Radiation Planning

**Dr. SAJU B**

12.30pm-1.00pm Recurrent HGGs - A Neurosurgeon's perspective

**Dr. JACOB P ALAPPAT**

1.00pm-2.00pm **LUNCH**

2.00pm-2.30pm How I treat Recurrent High Grade Gliomas

**Dr. RAJESH BALAKRISHNAN**

2.30pm-3.00pm Role of Systemic therapy in HGGs

**Dr. PRAVEEN K SHENOY**
