

# MALABAR CANCER CENTRE SOCIETY

(Registered under the Societies Registration Act XXI of 1860)

Reg. Number 309/1997

MEMORANDUM OF ASSOCIATION  
AND  
THE RULES RELATING TO THE  
MALABAR CANCER CENTRE SOCIETY  
AUGUST - 1997

## THE PREAMBLE

The Malabar Cancer Centre Society is being formed to establish a Hospital and Training & Research Centre of International standards and to develop the same as an institution of excellence with facilities on an extensive scale for organising and conducting post-graduate courses, advanced work and research in the field of cancer prevention and treatment, called the Malabar Cancer Centre with financial assistance from various agencies in Canada and/or other international and national agencies and the Government of India and the Government of Kerala. This society is being registered under the Societies Registration Act 21 of 1860 on the basis of the Memorandum of Association and the Rules and Regulations as approved by the Government of Kerala.

MEMORANDUM OF ASSOCIATION AND THE BYE-LAWS RELATIVE TO  
THE MALABAR CANCER CENTRE SOCIETY

1. Name

The Name of the society shall be "The Malabar Cancer Centre Society"

2. Registered office:

The registered office of the society shall be at 'Thalassery'.

3. Aims and objects for the society:

The society is being established with the aim of building and running a modern cancer hospital and research & training centre providing advanced treatment and clinical facilities and also facilities for post graduate studies and advanced research. It aims at training personnel who will combine the highest technical/medical competence with broad human sympathy as well as practical outlook and awareness of the necessity of good medical facilities especially in the field of cancer prevention, treatment, rehabilitation and research. The objects in particular are:

- a) to establish a hospital and training & research centre for treatment of cancer, and related research.
- b) to undertake basic applied and statistical research in the various specialities of Oncology.
- c) to organise and conduct under graduate, post graduate, doctoral and post doctoral training for medical personnel in the specialities of Radiation Oncology, Nuclear Medicine, Immunology, Tumour and Radiation Pathology, Biochemistry, Cytology, Cancer Epidemiology and related subjects.
- d) to organise and conduct post graduate, doctoral and post doctoral courses in Radiation Physics, Immunology, Biochemistry, Radiation Pathology, Radiobiology, Cytogenetics, Cell Biology, Molecular Biology and Cancer Epidemiology for non medical scientists.
- e) to organise and conduct para medical courses in Laboratory Sciences, Nuclear Medicine, Radiotherapy, Radiodiagnosis, Cytology, Nursing and Cancer Epidemiology.

- f) to train members of the medical, para-medical and nursing specialities related to Oncology.
- g) to provide modern and advanced clinical service for prevention and treatment of cancer.
- h) to institute professorships, readerships and fellowships and other teaching and research positions for the above purposes.
- i) to design preventive services for the general health care delivery system for extension to rural areas of Malabar.
- j) to conduct lectures, seminars, study groups, workshops, conferences etc. on problems related to cancer.
- k) to organise a Tumour registry in modern lines.
- l) to establish and maintain libraries related to various specialities of Oncology.
- m) to publish research papers, books and periodicals and other literature relating to cancer, its prevention and treatment and allied subjects.
- n) to work in collaboration with other medical institutions, health services department, other universities, agencies and institutions of repute. To co-operate with other societies in pursuit of all or any of the above objectives.
- o) to do all such things and perform all such acts as may be necessary as appropriate or incidental to the achievement of any or all of the above objectives.
- p) Without prejudice to the generality of the above and for effectively carrying out these objects, the society shall have the power to acquire, hold and receive property of any kind whatsoever including securities and negotiable instruments, to construct and maintain buildings, and to equip them suitably, to manage, sell, transfer or otherwise dispose or deal with property of any kind whatsoever belonging to the society, enter into contracts for and in connection with any of the purposes of the centre and on its behalf, to raise moneys and funds in such manner as may deem fit, for and on behalf of the society from any agency and/or Government within the country or abroad.
