## PROCEEDINGS OF THE DIRECTOR, MALABAR CANCER CENTRE, THALASSERY

dated 25-05-2017

(Present: Dr.B.Satheesan)

No.010/17/MCC/

25-05-2017

Sub: MCC-Constituting of Research Advisory Committee in MCC - reg.  
Ref:Decision of Executive Committee meeting no.68, held on 25/04/2017

The purpose of the Research Advisory Committee (RAC) is to provide strategic guidance and support to develop a cutting edge inter-disciplinary research centre at Malabar Cancer Centre with an objective of better understanding and management of cancer. This is also required for registration under national bodies like DSIR/SIRO. This would help institution to avail tax exemption in donations to MCC and during purchases of equipments. The major roles of RAC will be to advice on all matters related to Research development associated with various aspects of cancer and allied fields including biomedical engineering, bio-informatics, genetics, biotechnology, clinical engineering, pharmaceutical sciences etc. Research Advisory Committee helps in setting up the interdisciplinary research center, registering MCC to National bodies like DSIR/SIRO, helps in forming collaborations with different national and international centers and to develop the organization into an institution of National Importance by means of its performance. The matter was discussed in the Executive Committee meeting no.68 of MCC, held on 25.04.2017, and the Committee approved the formation of Research Advisory Committee in MCC, with the following members..

### External members

1. **Dr.Bhudev Chandra Das**, (PhD, FNASc, FASc, FAMS, FNA & J.C. Bose National Fellow Chairman & Hargobind Khorana Chair Professor, Amity Institute of Molecular Medicine & Stem Cell Research (AIMMSCR), Uttar Pradesh.
